Ordering Information

Product Description	Part Number
Caged Nuts and Bolts (50)	RR-A1
Earth Bonding Kit (2)	RR-A2
Cabinet Feet (4)	RR-A3
Heavy Duty Castors	009-000-005-03
4 Ring Cable Management Bar	RR-A6
Vertical Cable Management 18U	RR-A5-18
Vertical Cable Management 27U	RR-A5-27
Vertical Cable Management 39U	RR-A5-39
Vertical Cable Management 42U	RR-A5-42
2 Way Fan Tray	RR-FT-2
(Compatible with 600 x 600 mm & 800 x 600 mm cabinets)	
4 Way Fan Tray	RR-FT-4
(Compatible with 800 x 600 mm, 800 x 800 mm	
& 800 x 1000 cabinets)	
4 Way 1U Horizontal PDU	RR-P1-4
6 Way Vertical PDU	RR-P2-6
8 Way Vertical PDU	RR-P2-8
10 Way Vertical PDU	RR-P2-10
12 Way Vertical PDU	RR-P2-12
10" Cabinet 4 Way 1U Horizontal PDU	RR-P1-4-10
Plinth 600 x 600 mm	RR-PL-6060
Plinth 600 x 800 mm	RR-PL-6080
Plinth 800 x 800 mm	RR-PL-8080
Cantilevered Vented Shelf 1U 270 mm	RR-S0
(Ideal for 450 mm wall cabinets)	
Cantilevered Vented Shelf 1U 300 mm	RR-S1
(Ideal for 550 mm wall cabinets)	
Cantilevered Vented Shelf 1U 350 mm	RR-S2
(Ideal for 600 mm wall cabinets)	
Fixed Vented Shelf 315 mm	RR-S3
Fixed Vented Shelf 515 mm	RR-S4
Fixed Vented Shelf 715 mm	RR-S5

The range of cabinet accessories complement the variety of floor standing and wall mounted cabinets. Combined together, these products offer a complete cable patching solution.

Heavy duty castors can be fitted to raise the cabinet clear of the floor and allow the cabinet to be moved across even surfaces. Cage nuts are used to fix internal equipment into the cabinet. Earth bonding kits enable two cabinets to be joined together. Steel plinths fit beneath the cabinet to allow cable access from the base, sides and rear and are available in various widths and depths. Vertical Cable Management offers an ideal way to keep your cabling tidy and maximise airflow.
