The compact design of the 19" Wall Mounting Cabinets make them ideal for smaller networks and workgroups.

The cabinets are available in various sizes and are supplied fully assembled. Each cabinet comprises a welded steel frame and adjustable front and rear 19" mounting profiles. Cable access positions with removable plates are situated in the top and bottom of the cabinet.

The cabinets feature a ventilation slots in the top, have a lockable glass front door, and removable sides. The cabinet is finished in a high quality attractive black.
