

## DS-D5AC11T7-16S5 OPS Module

- Intel® Iris® Xe Graphics, support 4K resolution
- Support M.2 nvme system disk quick start
- Support 4 USB 3.0 ports, 2 USB2.0 ports, 1 HDMI port, 1 DP interface, 1 Type-C port
- Support dual channel memory
- Support Wi-Fi IEEE 802.11 a/b/g/n/ac

## ▪ Specification

| Built-in System                |  |
|--------------------------------|--|
| Operation System               | WIN10 SAC  |
| Processor                      | Intel® Core, i7 11th   |
| CPU Clock Speed                | 2.8GHz   |
| Memory                         | 8G * 2   |
| NIC                            | Integrated 10/100/1000M Adaption   |
| Graphics                       | Intel® Iris® Xe Graphics   |
| Platform Architecture          | Intel® Tiger Lake  |
| Storage                        | 512G   |
| Cooling System                 | Single Brass & Single Fan  |
| Interface                      |  |
| Network Interface              | RJ45 * 1   |
| Data Transmission Interface    | Bluetooth 4.2<br>USB 3.0 * 4; USB 2.0 * 2; Type-C * 1  |
| Video Output                   | HDMI * 1; DP * 1   |
| Antenna                        | 2  |
| Power                          |  |
| Standby Consumption            | 0.5W   |
| Input Voltage                  | 12V-19V DC   |
| Max. Consumption               | 95W  |
| General                        |  |
| Product Dimensions (W × H × D) | 195×30×180mm   |
| Package Dimensions (W × H × D) | Carton with a single module : 308 * 80 * 278 mm<br>Carton with five modules : 420 * 298 * 320 mm |
| Net Weight                     | About 1.22kg   |
| Gross Weight                   | Carton with a single module : about 1.36 kg<br>Carton with five modules : about 7.50 kg          |
| Color                          | Black  |
| Working Environment            |  |
| Working Temperature            | 0°C - 40°C   |
| Working Humidity               | 10%-90%  |
| Storage Temperature            | -20°C - 60°C   |
| Storage Humidity               | 10%-90%  |
